Requested by: Paula Ann Trevino – Social Studies Department Chair & Teacher

Item(s):

- 25 hardbound dictionaries (depends –about \$15/each)
- 25 hardbound thesauruses (depends –about \$15/each)
- 6 - GPS Units – for student projects in Honors Geography – cost unknown

Helix Wish List

Requested by: Library

Item(s):

- Carpenter who can build a permanent, oak wall display case (shadow-box) approximately 4 feet X 4 feet to display the collection of Scottie items we have.
- Mouse pads for the 40 computers we have. A few years ago a company gave us free pads with their logo. That supply has now run out. You can imagine how grimy they get after time.
- We VERY MUCH need more internet computers for the Library. We currently are using "dum" terminals called Citrix which cost about \$500 per student work area. A Computer Work Station includes FOUR student work areas. With the cost of the tables, chairs, Citrix and electrical work, ONE station will cost \$4,000 to \$5,000. A picture of our Work Station can be seen on the Helix Library Web Page:

<http://www.helixcharter.net/library/index.html>

If the Helix Alums can raise \$4,000 for one Work Station, the Library could afford to pay for whatever the overage might be. I think it would be a great idea to create a Computer Work Station in Mr. Freeland's or Mr. Serr's names. We would be happy to create a plaque with the name on it to attach to the Work Station.

Requested by: Will Jacoway – Science Teacher

Item(s):

Science is changing from Coordinated Science to Biology-Chemistry. With this transition we need to stock two classrooms as chemistry-teaching rooms. It would be great to find someone or a group who would like to sponsor an entire classroom, though any partial donation is greatly appreciated.

- 1 acid cabinet
- 1 base cabinet
- 1 flammable cabinet
- Eye wash station
- Emergency shower station
- 30 Safety glasses

Helix Wish List

- 15 medium glass funnels
- 15 10 ml glass graduated cylinders
- 15 25 ml glass graduated cylinders
- 15 50 ml glass graduated cylinders
- 15 100 ml glass graduated cylinders
- 15 250 ml glass graduated cylinders
- 5 1000 ml glass graduated cylinders
- 15 Alcohol thermometers
- 15 1 L bottles with caps
- 20 400 ml beakers
- 4 chemical trays
- 1 Drying rack
- 6 one gallon soap dispensers
- 1 fire blanket
- 100 Petri dishes

Requested by: James Cook – Tech teacher

Item(s):

- Air conditioning for rooms 170 and 190. (We both have 18 computers in our rooms and the heat generated from the computers and the heat from the students make for a very hot room).

Requested by: Gregg Osborn – Speech teacher/team coach

Item(s):

- New or like new black or navy blue suits. Used for competition, so no “dated” styles, please. Men’s and women’s, any sizes.
- Gift certificates to department stores or stores specializing in business attire.

Requested by: Su Hamano – Intergenerational Coordinator

Item(s):

- Sony, Model DCRHC40 - Cost \$569

Requested by: The School in General

- Teacher desks
- Chairs for classrooms (we're quite short right now),
- Book shelves, office furniture.

Helix Wish List

Requested by: Melinda Harrison- Special Education Teacher for the Hearing Impaired

- 12 2inch 3-ring binders....
- 2 black
- 2 red
- 2 white
- 2 blue
- 2 green
- 2 orange

Requested by: Rosie Cech – Career Center Coordinator

- Bookcase
- Wall-hanging info containers

Requested by: Rachel Page – Special Education Teacher

- 8 plastic-seat, classroom chairs. Non-folding

Requested by: Special Education Department

- A picnic table for the patio area of Rm 540, a place where students can work outside.

Requested by: Science Department

- Resource for 200-page spiral notebooks for students who are unable to afford one.

Requested by: Science
